

Please accept this invitation to be a vendor at the
Friends of Coastal Gardens'

15th Annual Fall Festival

Saturday, October 24, 2009

Bamboo Farm & Coastal Gardens

Join us this year as we strive to make this the best Fall Festival ever. Sponsored by the Friends of Coastal Gardens for the 15th year in a row, we expect to attract a large crowd to a very family-friendly event. In addition to the anticipated plant vendors and arts and crafts vendors, we'll have horticultural lectures, activities for kids, food, cane-syrup making and educational booths.

Vendors

The cost to vendors to have a booth is 20% of the gross of that day's sales payable at the end of the day. Booth size is 10 feet wide x 20 feet deep. Plant vendors will have access to water but there is no electricity. Please note that the area is in full sun – you should bring a tent or other cover if you need shade. We don't provide tents, tables or chairs; you should bring your own.

Non-Profit or Educational Organizations

There is no charge to non-profit or educational organizations to have a booth. Booth size is 10 x 10. Electricity is not available. Please note that the area may be in full sun – you should bring a tent or other cover if you need shade, and your tables and chairs.

Booth Set-up

Booths will be staked out on the morning of Friday, October 23 for confirmed vendors to set up, if desired, from 1 – 5 pm. Otherwise, set up will be from 7 – 9 am on Saturday. The spaces will be set up along the road beside the strawberry field as they were at last year's Fall Festival. This gives everyone an equal chance to attract customers to their booth. All trucks should be finished unloading and out of the way by 9 am on Saturday.

Contact

Please return the enclosed contract to let us know if you'll be able to sell your products or promote your non-profit organization at this year's Fall Festival. We look forward to seeing you!
